Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The Interview Summary attached to the Supplemental Notice of Allowability mailed November 26, 2007, provides an accurate and complete summary of the telephone interview of November 16, 2007. The Examiner had overlooked to include claim 23 as an allowed claim in the original Notice of Allowability. The undersigned kindly requested a Supplemental Notice to correct this oversight. It is not believed that this submission should in any way affect Applicants' Patent Term Adjustment (PTA).

Respectfully submitted,
